जुड़वाँ टाइलें

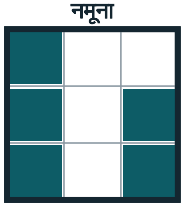

किंडरगार्टन | 2026-11-02 | अभ्यास पत्र

कोई बड़ा व्यक्ति निर्देश पढ़कर सुना सकता है। फ्रेम में बनी नमूना टाइल देखो। बगल वाली टाइलों में से एक बिल्कुल उसी जैसी है। तुलना करते समय हर खाने पर उँगली रखो।

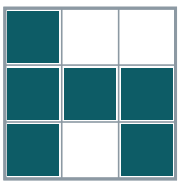

नमूने जैसी बिल्कुल एक जैसी टाइल के अक्षर पर गोला बनाओ। बाकी हर टाइल में एक खाना अलग है।

जुड़वाँ टाइलें

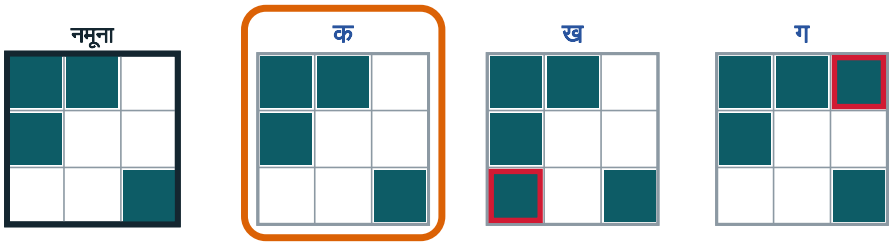

किंडरगार्टन | 2026-11-02 | उत्तर कुंजी

नारंगी घेरे उत्तर दिखाते हैं। लाल चौखटें उन खानों को दिखाती हैं जिनकी वजह से हर गलत टाइल नमूने से अलग है।

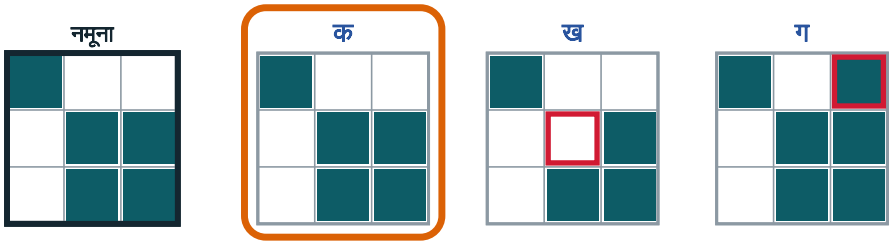

01

04

05

06

जुड़वाँ टाइलें

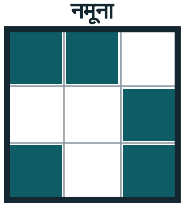

कक्षा 1 | 2026-11-02 | अभ्यास पत्र

हर टाइल छोटे-छोटे खानों का एक जाल है। कोई खाना खाली, गहरा या नारंगी बिंदु वाला हो सकता है। एक-एक खाने की तुलना करो और वह टाइल ढूँढो जो सचमुच बिल्कुल एक जैसी है। हर प्रश्न का केवल एक सही उत्तर है।

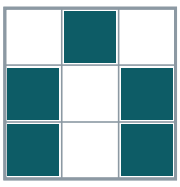

नमूने की सही जुड़वाँ टाइल पर गोला बनाओ। बाकी टाइलों में एक गहरा खाना खिसककर बगल वाले खाने में चला गया है।

यही काम, अब बिंदुओं के साथ। ध्यान दो: कुछ टाइलें दर्पण प्रतिबिंब हैं, यानी पलटी हुई हैं, और वे नहीं गिनी जातीं। जुड़वाँ पर गोला बनाओ और घड़ी की दिशा में घुमाव लिखो।
