जुड़वाँ टाइलें

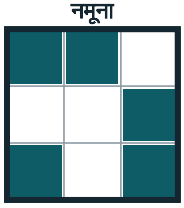

कक्षा 1 | 2026-11-02 | अभ्यास पत्र

हर टाइल छोटे-छोटे खानों का एक जाल है। कोई खाना खाली, गहरा या नारंगी बिंदु वाला हो सकता है। एक-एक खाने की तुलना करो और वह टाइल ढूँढो जो सचमुच बिल्कुल एक जैसी है। हर प्रश्न का केवल एक सही उत्तर है।

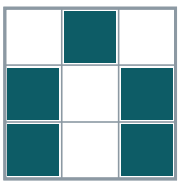

नमूने की सही जुड़वाँ टाइल पर गोला बनाओ। बाकी टाइलों में एक गहरा खाना खिसककर बगल वाले खाने में चला गया है।

जुड़वाँ टाइलें

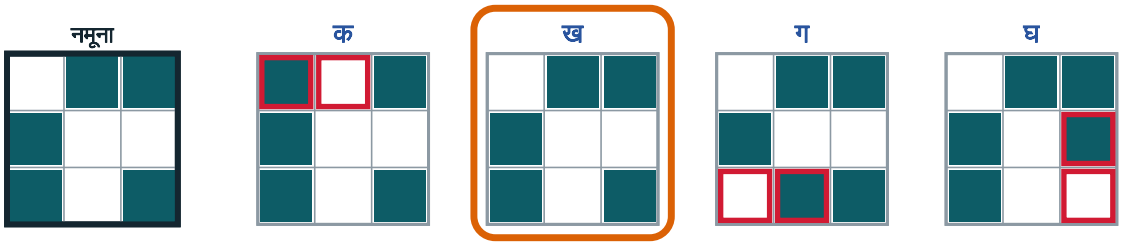

कक्षा 1 | 2026-11-02 | उत्तर कुंजी

नारंगी घेरे उत्तर दिखाते हैं। लाल चौखटें उन खानों को दिखाती हैं जिनकी वजह से हर गलत टाइल नमूने से अलग है।
