जुड़वाँ टाइलें

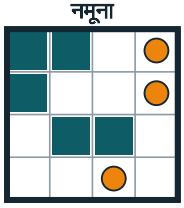

कक्षा 3 | 2026-11-02 | अभ्यास पत्र

हर टाइल छोटे-छोटे खानों का एक जाल है। कोई खाना खाली, गहरा या नारंगी बिंदु वाला हो सकता है। एक-एक खाने की तुलना करो और वह टाइल ढूँढो जो सचमुच बिल्कुल एक जैसी है। हर प्रश्न का केवल एक सही उत्तर है।

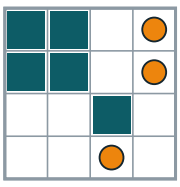

नमूने को पंक्ति-दर-पंक्ति जाँचो। केवल एक टाइल खाने-दर-खाने मिलती है; बाकी में दो पास-पास के खानों ने जगह बदल ली है।

कक्षा 3 | 2026-11-02 | उत्तर कुंजी

नारंगी घेरे उत्तर दिखाते हैं। लाल चौखटें उन खानों को दिखाती हैं जिनकी वजह से हर गलत टाइल नमूने से अलग है।
