Matrices de formes

Grande section | 2026-11-09 | Fiche

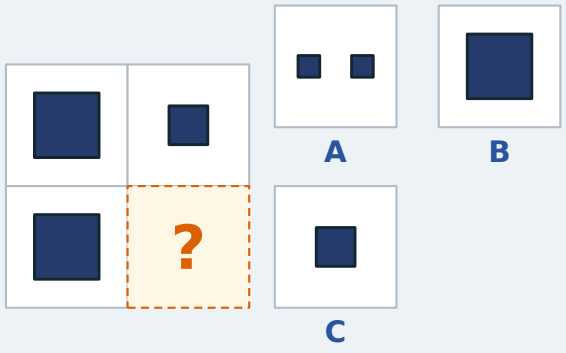

Un adulte peut lire la consigne à voix haute. Regarde les dessins de chaque grille. Une case est vide. Entoure le dessin qui va à cet endroit.

La ligne du bas change de la même façon que celle du haut, ou chaque colonne garde le même dessin. Entoure le dessin qui manque.

CP | 2026-11-09 | Fiche

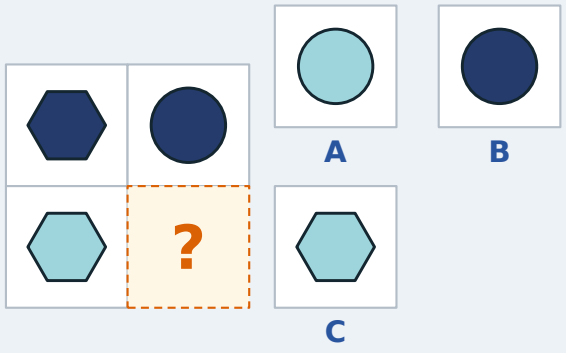

Chaque grille suit ses propres règles. Observe les lignes et les colonnes complètes, trouve comment les dessins changent et entoure le dessin qui va dans la case vide. Une seule réponse convient.

Une caractéristique change de gauche à droite et une autre de haut en bas. Entoure le dessin qui respecte les deux.
