Matrici di figure

Scuola dell’infanzia | 2026-11-09 | Scheda

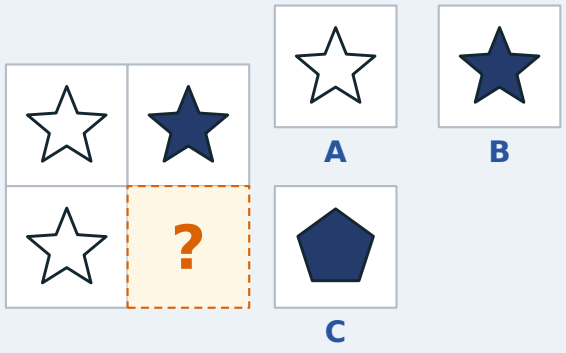

Un adulto può leggere ad alta voce. Guarda i disegni di ogni tabella. Una casella è vuota. Cerchia il disegno che va lì.

La riga in basso cambia come quella in alto, oppure ogni colonna tiene lo stesso disegno. Cerchia il disegno che manca.

Ogni tabella segue le sue regole. Osserva le righe e le colonne complete, scopri come cambiano i disegni e cerchia il disegno che va nella casella vuota. Una sola risposta va bene.

Una caratteristica cambia da sinistra a destra e un'altra dall'alto in basso. Cerchia il disegno che le rispetta tutte e due.
