Tangled Lines

Kindergarten | 2026-11-19 | Worksheet

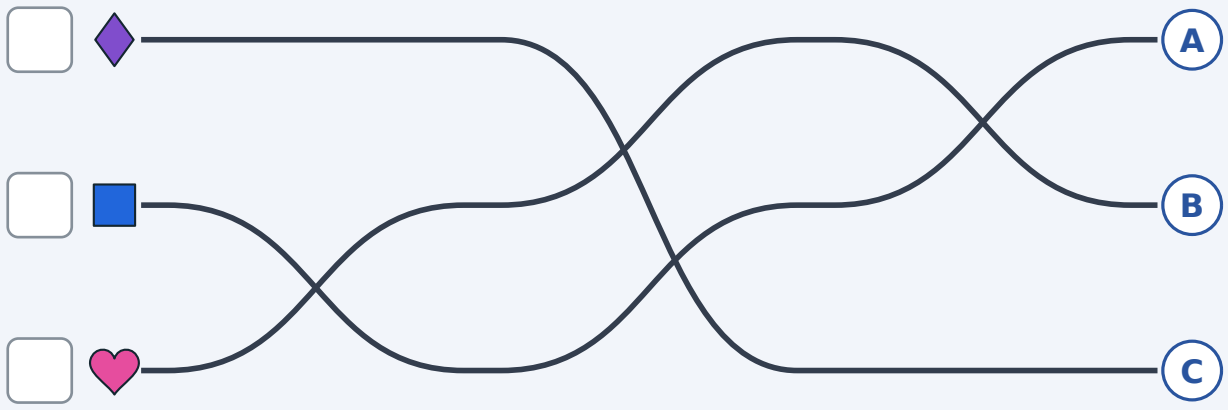

An adult can read this aloud. Put your finger on a shape and follow its line to the end. Where two lines cross, go straight on. Write the letter you reach in the box next to the shape.

Each picture has three lines. Go slowly and use your finger.

Tangled Lines

Grade 1 | 2026-11-19 | Worksheet

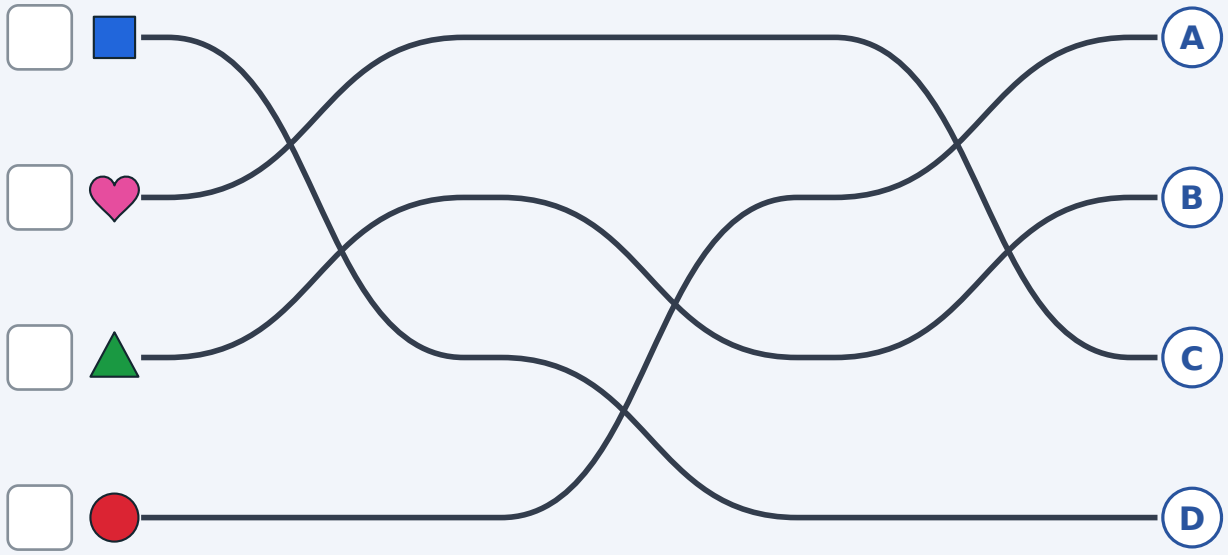

Follow each line from its shape to the end. Where two lines cross, the line goes straight on; do not switch to the other line. Write the letter at the end in the box next to the shape.

Four lines in each picture. Trace them with a pencil; at a crossing, keep going straight.

2

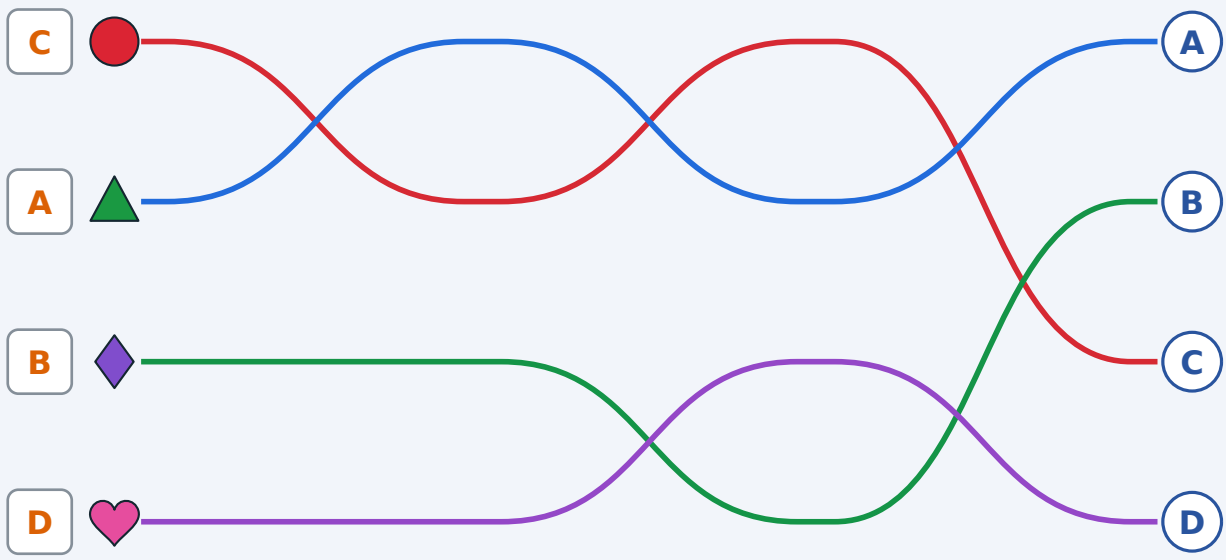

Tangled Lines

Grade 3 | 2026-11-19 | Worksheet

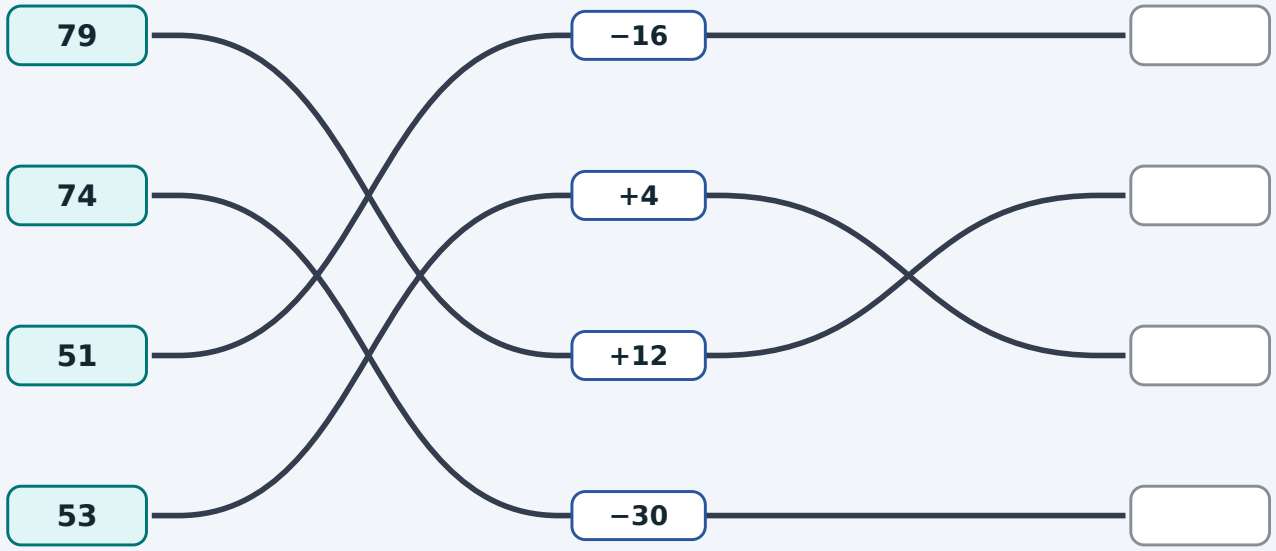

Follow each line from its starting number to the end. Where lines cross, keep going straight. Each box on the line changes the number: do the boxes in order and write the result in the empty box at the end of the line.

Each line passes one box: add or subtract the number in it.
